Industrial Chemicals Group, (Hexcel ACO)  
Hexcel Corporation - Industrial Chemicals Group (Hexcel)  
Lodi Borough, Bergen County  
ECRA Case # 86009

Dear Mr. Hogan:

This is in response to Killam Associates' letter dated June 23, 1992 requesting a 60 day extension of the project schedule. Your request has been granted. Hexcel shall re-initiate cleanup activities by August 23, 1992. In addition, Hexcel shall submit with the August 15, 1992 Progress Report a revised time schedule for the completion of cleanup activities.

This letter is only an extension and does not relieve Hexcel of any obligations or responsibilities set forth in the Hexcel ACO. If Hexcel fails to submit the required time schedule on or before the new deadline, this case may be referred to the Bureau of Applicability and Compliance for review and the assessment of penalties pursuant to the Hexcel ACO. NJDEPE reserves the right to implement full enforcement measures pursuant to N.J.A.C. 7:26B-9.3, including the right to assess penalties from the original due date. NJDEPE reserves the right to assess penalties from the original due date established under the Hexcel ACO.

Please note that, pursuant to N.J.A.C. 7:26B-1.7, both the owner and the operator of the referenced industrial establishment are strictly liable, without regard to fault, for compliance with the ECRA Regulations.

If you have any further questions on this matter, please contact the Case Manager, Kathleen Miiller, at (609) 633-7141.

Sincerely,

Kenneth T. Hart, Assistant Director
